Minute With Matt

Hello Church Family

It has been a busy and crazy, yet rewarding, couple of weeks here at our church! DNow was a wonderful weekend as we had almost 90 students from our church and Brighton Baptist on our campus. Between the two churches we had 3 salvations, 4 re-dedications, and 2 for baptism. And who knows other decisions that were made! Praise God for that! Even though we were cut a little short due to the snow, this weekend was still a success. And it could not have happened without many of you! So, if you provided a meal with your Sunday School class, were a host home, hung out and volunteered, or lost your seat in the 2nd service, I just want to say thank you from the bottom of my heart!

And in less than 24 hours from DNow ending, 23 kids, teenagers, and adults from the Amani Children's Choir arrived! They traveled through the snow and ice to arrive at everything being shut down for an entire week! They were in good spirits about it and were able to see and play in the snow, some for the first time! However, they were still able to put on a show for us on Sunday night and for TCA Monday morning. God is using them to bring people to worship and for awareness of their school and ministry back in Uganda.

Then the day that the Amani Children's Choir left, we had our first Kid's Beach Club back since December 5th. It was a joy to be back in Charger Academy, sharing the love of God with these kids! God is using this effective ministry to reach these children for Christ, as we had 8 salvations last semester! While we praise God for all those souls whom He saved, we are asking for Him to continue adding numbers to His kingdom. If you would like to serve with us, please let me know!

And all of this happened within a 12 day span!! God is so good, y'all! Just remember to praise Him each day!

In Christ, Matt
