*Cliff's Notes*

**Hope in Every Season**

Winter may still have its grip on us, but change is coming. Each day, the sun lingers a little longer, and before we know it, spring will arrive with its warmth, new life, and longer days. Seasons remind us that nothing stays the same forever—just as God designed creation to move from winter to spring, He works in our lives in seasons as well.

Maybe you're in a spiritual "winter," feeling stuck or weary. Take heart—God is still at work, even when we don't see it. Just as the trees are preparing to bloom, He is preparing new things in you. Galatians 6:9 reminds us, *"Let us not grow weary in doing good, for at the proper time we will reap a harvest if we do not give up."*

Brighter days are ahead—in nature and in our walk with Christ. Stay faithful. Spring is coming!

Blessings,  
Pastor Cliff
